COMMITTED TO KEEPING IRELAND ABORTION FREE

Youth Defence are Ireland's leading pro-life activists working to keep Ireland abortion-free. We are the primary providers of **educational pro-life information** in the country, with up to 80% of the Irish public citing Youth Defence as their chief source of pro-life materials. Our **lobbying and advertising campaigns** help to keep pro-life objectives on the public and political agenda.

We have lead the way in **video and electronic publishing** with our award winning websites such as www.justthefacts.org. Our much-loved **Just the Facts School project** visits hundreds of schools, while our weekly **Street Information Sessions** and **National Roadshows** play an important role in maintaining the pro-life majority. Our aim is to re-establish a Culture of Life in Ireland.

His Holiness, Pope John Paul II with then Youth Defence Chairwoman, Niamh Ui Bhriain during the private audience he granted to YD in 1995.
